FREQUENTLY ASKED QUESTIONS

Q: WHO are Signature's home healthcare professionals?

A: Signature provides outstanding in-home patient care from our well-educated, well-trained, and licensed Registered Nurses (RN), Licensed Vocational Nurses (LVN), and Certified Nurses' Aides (CNA). Signature also boasts the best in skilled and licensed physical therapists, licensed physical therapy assistants, licensed occupational therapists, and licensed speech language pathologists for a more robust recovery. Trained and experienced Medical Social Workers are also available should the need arise.

To build team excellence, we carefully screen our nurses and therapists to ensure that only the top-tier of skilled and caring candidates are selected to represent us and to deliver the expertise that you deserve –and we champion. We focus on building and maintaining excellence and integrity through close supervision, in-house training, and mandatory continuing education programs.

Q: WHAT services can Signature's nurses and therapists provide?

A: Signature Health Services helps you navigate the maze of disease management and treatment, and assists you in making a seamless transition to your home setting. Our nurses educate you about your medications, your condition or disease, and coordinate your care with your family, caregiver, your doctor, and other medical professionals overseeing your healthcare. We provide a wide-range of customized treatments for your disease or condition as ordered by your physician.

Our skilled nurses are qualified to perform a wide range of nursing services. We provide both oral guidance and "how to" booklets to educate you about your disease or condition. Our nurses deliver premium homebound care to adults, seniors, the chronically ill, disabled, recently hospitalized, and cognitively impaired patients.

Our therapists provide home safety evaluations and skilled intervention to help you perform safely with functional or modified independence. Our team of nurses and therapists provide you with personalized care, a link to the outside world, and companionship.

Q: WHERE does Signature provide its treatment and services?

A: Our clinical professionals provide you with skilled interventions, treatments, education, and personalized care in the comfort of your own home, family member's home, or an assisted living facility. We thereby help keep you out of the hospital and give you options other than placement in a nursing home or a long-term care facility.

We service the Greater Houston area and seven southeastern Texas counties.

Q: WHY choose Signature Health Services?

A: Like our Core Values say, **we build excellence in our teams and your care.** Our 25 years of deep and broad experience, quality of care, and compassion are Signature's hallmarks.

Our Team. Signature's highly skilled nurses and therapists function as one to bring state-of-the-art care to you through compassionate and attentive care, advanced customer service, cutting-edge technology, and personalized disease management programs. We provide the education and resources you need to put you in the driver's seat of your healthcare and recovery.

Integrity. We listen to you and respect your input when developing a successful care plan. We closely monitor your condition and progress, communicating regularly with your medical providers, and family or caregiver, to meet your changing medical needs.

Excellence. Our patients currently rate us **in the top 10% of home healthcare agencies, both in Texas and nationally.** Through ongoing patient surveys and professional analysis, we regularly evaluate our services to improve the way we deliver the best in home healthcare. Our expertise and dedication to helping you succeed comprise the **Signature Difference**, and make Signature Health Services the **best choice for your home healthcare needs.**

OUR HISTORY

IN 1995, IN BAYTOWN, TEXAS, A DEDICATED,
COMMUNITY-MINDED
REGISTERED NURSE —DETERMINED TO BE THE BEST IN HOME HEALTHCARE— STARTED HER OWN HOME
HEALTHCARE AGENCY. HER FOCUS, COMMITMENT, AND PASSION FOR SKILLED NURSING,
EXCELLENT & EMPATHETIC
PATIENT CARE, AND ADVOCACY FOR PATIENTS AND STAFF, ARE ONLY A FEW OF THE MANY ATTRIBUTES
THAT HAVE HELPED TO ESTABLISH SIGNATURE HEALTH SERVICES AS THE
PREMIER HOME HEALTHCARE AGENCY
IN SOUTHEAST TEXAS.

Signature began with a big dream and primarily served rural Houston, with only 4 nurses and one therapist, a staff of 7, and one patient. Over 25 years later, Signature has evolved to host a professional staff of 71, featuring more than 35 full-time, highly qualified, in-service nurses and 50 licensed therapists, delivering the best in compassionate and pioneering home healthcare throughout the Greater Houston area and across seven surrounding counties. Signature Health Services' achievements have been widely recognized, garnering Medicare's coveted **4.5-star rating for patient satisfaction and quality of patient care**. Signature has partnered with over 4,000 physicians and delivered exceptional home healthcare to more than 25,000 satisfied patients. We welcome you as our next patient!
